

## **Mock Examinations and Parents Evening: Information for parents/carers**

*Mock examinations are an important part of our year 11 support plan:*

- *Mock exams provide accurate information on each student's academic progress*
- *Teachers use the outcomes of mock examination to make adjustments to their teaching plans for the remainder of the academic year*
- *Mock examinations build familiarity amongst students of the routines (including support) during the summer examination season.*

*This support includes targeted adjustments to our period 6 lessons and examination masterclasses immediately prior to each mock examination.*

*During 25-26 year 11 students will participate in two mock examination windows:*

- *November (estimated – week beginning 10<sup>th</sup> November); mock examinations in English and maths only*
- *January (estimated – fortnight beginning 26<sup>th</sup> January); mock examinations in all examination-based subjects*

*A list of mock examinations dates can be found within the examinations page of our school website by following the link below.*

[\*The Ilfracombe Academy - Exam Information\*](#)

*We will communicate the outcomes of all mock examinations with you throughout the course of next academic year. Our year 11 parents evening is scheduled for the week beginning Monday 9<sup>th</sup> March 2026 (date to be confirmed), this date ensures that mock achievement can inform discussion around students' final preparation for exams in May/June of 2026.*

*Parents and carers can support during the mock examination windows by encouraging students to go the extra mile by completing independent revision. We would also welcome your support in ensuring that 100% of students complete 100% of their mock examinations.*
