

Our Prom Passport: Information for parents/carers

The year 11 prom is a highlight of the academic year, for students and staff, a celebration of hard work, consistency, commitment and resilience. It is important that during students final preparations and during the examination season itself, we support and challenge year 11 students to maintain high standards of academic engagement:

- We expect our year 11 students to attend school throughout the exam season.
- We expect our year 11 students to engage positively in the wide range of academic support available at this critical time of year.

We will launch our prom passport to students and parents/carers during term 3 of next academic year, via an assembly to students and letter to parents/carers. This letter will clearly outline the criteria which students must fulfil in order to attend the year 11 prom. These criteria are designed to ensure that at the time of writing to parents/carers all year 11 students remain eligible to attend the prom.
