2 Compliance

2.1 This policy has been developed in response to the Equality Act 2010 and replaces previous policies relating to race, gender and disability equality. It has been designed to help the school meet the public sector equality duty to:

2.1.1 Eliminate unlawful discrimination, harassment, victimisation and other prohibited conduct.

2.1.2 Advance equality of opportunity between those who have a protected characteristic and those who do not.

2.1.3 Foster good relations between those who share a protected characteristic and those who do not.

2.2.4 race, colour, nationality, ethnic or national origin,

2.2.5 religion or belief,

2.2.7 any combination of those listed above (the protected characteristics).

2.3 Staff and governors will:

- Actively promote equity and equality of opportunity in all areas of school life.
- Ensure that members of the school community know their rights, and respect the rights of others.
- Aim to ensure that prejudice or discrimination in all its forms is actively rejected.
- Raise awareness of equity and equality issues for all members of the school community, and through our links with the local community.
- Establish strategies to ensure equal access to the curriculum and enable each individual to fulfil his/her potential regardless of ability, gender, race, disability, religion or sexual orientation.

2.4 Equality principles based on the above aims will be embedded in our daily practices, policies and the processes of decision-making, including:

- Admissions, induction and attendance.

- Students' progress and achievement.
- Students' personal development and wellbeing, particularly in relation to safeguarding.
- Parental involvement.
- Working with the wider community.

- Teaching styles and strategies.

3 Publication of Information and Equality Objectives

- 3.1 The school acknowledges its legal duties to publish information on compliance with the three strands of the public sector equality duty and, in addition, to publish specific and measurable equality objectives.
- 3.2 The school will analyse data and existing practices to set out the actions taken in compliance of the equality duty and to inform the setting of relevant equality objectives to support the development of the school and its community.
- 3.3 The information on the equality duty will be updated annually and the objectives every 4 years. The Equality Action Plan is published on the school's website.

4 Roles and responsibilities

- 4.1 The Local Governing Body has overall responsibility for this policy and for ensuring compliance. The designated senior member of staff with overall responsibility for all equality and diversity matters at the school is the Headteacher.
- 4.2 It is the responsibility of all staff to:
- Treat colleagues, young people and visitors with dignity and respect; and avoid behaving in any manner that may give rise to claims of discrimination, harassment or victimisation.
 - Support and participate in any measures introduced to promote equality and diversity.
 - Actively challenge discrimination and disadvantage in accordance with their responsibilities.
 - Report any issues associated with equality and diversity in accordance with this policy.

- 4.3 As part of their induction, all staff members will receive training on this policy and will receive further training sessions (as required), to ensure that they remain aware of their responsibilities. [Such training will :
- 4.3.1 ensure all staff are aware of, and comply with, current equalities legislation and government recommendations;
 - 4.3.2 ensure all staff are aware of their responsibilities and how they can support pupils with protected characteristics;
 - 4.3.3 provide support for staff to effectively manage any discrimination towards pupils with protected characteristics;
 - 4.3.4 provide up-to-date information on the terms, concepts and current understandings relating to each of the protected characteristics;
 - 4.3.5 develop appropriate strategies for communication between parents, educators and pupils about any issues related to a protected characteristic; and
 - 4.3.6 ensures that the school is aware of, and participates in, relevant awareness days, such as Black History Month, World Disability Day, Pride, and International Women’s Day.]

5 Duty to make reasonable adjustments

- 5.1 The school will actively seek to make reasonable adjustments, where there is a need to ensure that a disabled person has the same access to everything as a non-disabled person, as far as is reasonable. We will take positive and proactive steps to remove, reduce or prevent the obstacles faced by a disabled individual, as far as is reasonable.
- 5.2 The duty to make reasonable adjustments covers all aspects of academy life, including the curriculum, classroom organisation and timetabling, access to facilities, clubs and visits, sports and policies.
- 5.3 In making reasonable adjustments, the school is required to provide auxiliary aids and services for disabled students. Staff will carefully consider any proposals made by parents and will not unreasonably refuse any requests for such aids and services.
- 5.4 The school will monitor the physical features of the school’s premises to consider whether disabled users of the premises are placed at a substantial disadvantage compared to other users. Where possible and proportionate, the school will take steps to improve access for disabled users of the premises. Please see the Accessibility Plan for further information, which can be found on the schools website.
- 5.5 Parents should notify the Headteacher in writing if they are aware or suspect that their child has a disability and provide copies of all written reports and other relevant information about their child’s disability upon request. Providing such information will enable the school to support the student as much as possible. Confidential information of this kind will only be communicated on a "need to know" basis. The

school will have due regard to any request made by a parent or student (who has sufficient understanding of the nature and effect of the request) to treat the nature or existence of the person's disability as confidential.

6 Uniform policy

- 6.1 The school uniform policy is consistent with this policy. The same uniform policy applies equally to all students, irrespective of their gender, gender reassignment, race, disability, sexual orientation, pregnancy or maternity, religion or belief or special educational needs, subject to considerations of safety and welfare. However, the school will consider reasonable requests to alter the uniform, for example for genuine religious requirements and in making reasonable adjustments for disabled children to avoid substantial disadvantage.
- 6.2 Certain items of jewellery, such as the Kara bangle, and certain items of headwear, such as the turban and headscarves may be worn by students when doing so is genuinely based on manifesting religious or racial beliefs or identity. Where there is uncertainty as to whether an item may be worn under this section, the issue must be referred to the Head Teacher, whose decision will be final, subject to the complaints procedure.

7 Admissions policy

Admissions criteria are defined under the school's admissions policy and are applied consistently to every young person, irrespective of any protected characteristic.

8 Religious Beliefs

The school respects the religious beliefs and practice of all staff, students and parents, and each academy will comply with reasonable requests relating to religious observance and practice wherever possible. An example where a request may be refused is if the religious observance takes place during lesson time.

9 Curriculum delivery

- 9.1 The curriculum is crucial to tackling inequalities for students including gender stereotyping, preventing bullying and raising attainment for certain groups. The principles of equality and diversity are embedded in our academic and social curriculum. Positive and proactive steps will be taken to prevent discrimination against, or victimisation of, any student in the provision of education or access to any benefit, facility or service including educational trips, work experience and leisure activities.
- 9.2 The school recognises and promotes awareness of the possibility of bias (for example gender or racial), and works to eliminate such bias in both teaching and learning materials and teaching styles. Materials are carefully selected for all areas of the curriculum to avoid stereotypes and bias.

- 9.3 The school may take positive action to give students of a particular racial group, or students with a disability or special educational needs, access to additional education or training to meet the needs of the students in that group, for example, special language training for groups whose first language is not English.
- 9.4 All students are encouraged to work and play freely with, and have respect for, all other students, irrespective of any protected characteristics, subject to considerations of safety and welfare. Positive attitudes are fostered towards all groups in society through the curriculum and ethos of the school, and students are encouraged to question assumptions and stereotypes.

10 Exclusion policy

The decision to suspend or permanently exclude a child is a last resort and will be made in accordance with the school's behaviour policy and procedure, and suspension and exclusion policy. That policy applies to all students and any exclusion decision will take into account our duties under the Equality Act 2010.

11 Gender Identity

- 11.1 The school is mindful of its responsibilities under the Equality Act 2010 towards students identifying as transgender and non-binary. The school has gender neutral facilities for all students who wish to use them. In respect of students identifying as trans-gender or non-binary, the school will be sensitive to their individual needs whilst also recognising the needs and sensitivities of other students. Students who have confirmed that they have commenced the process of transitioning, and therefore fall under the protected characteristic of gender-reassignment will be provided with appropriate pastoral care and support.

12 Reporting and recording incidents of discrimination and harassment

All incidents of discriminatory treatment, bullying and harassment must be reported to senior staff and recorded as soon as is reasonably possible (and in any event within 24 hours of the incident). All bullying-related incidents (confirmed or otherwise), will be addressed in accordance with our Anti-Bullying Procedure.

13 Implementation, monitoring, evaluation and review

- 13.1 The designated senior member of staff with overall responsibility for the implementation, monitoring and evaluation of this Policy is the Headteacher.
- 13.2 Additional support would also be provided to any parent or significant person, wishing to know more about the policy and procedures outlined above.
- 13.3 This Policy will be reviewed on a three-year cycle.

- 13.4 The effectiveness of this policy will be assessed using a self-evaluation framework and an assessment of progress against targets identified in the Equality Action Plan. Following this evaluation, recommendations will be made for changes to the policy and action planning for the future to continue to improve the culture of equality and equity for all within the school.
