

## **Admissions Link/Transport**

Devon County Council has a policy on the provision of school transport. It provides, for example, free school transport where a student of compulsory school age lives beyond the agreed statutory distance from the school serving the home address. The statutory distance is defined as “for students of secondary age who live more than three miles from the school, measured by the shortest available walking route”. If your child is eligible for free school transport you will receive an email or letter direct from DCC. For full information on school transport and buses please visit the DCC website at:

<https://www.devon.gov.uk/children-families-education/education/school-and-college-transport/>

Students travelling by school bus will be issued with a pass which they must ensure they have every day, as they will not be allowed to travel without it.

Parents/carers delivering and collecting students to and from school by car should use the allocated drop off/pick up zone by the school gates, to avoid blocking up the road.
