

## **Summer School**

Summer School at The Ilfracombe Academy offers a fun and engaging introduction to secondary school life. Students take part in a range of activities such as arts and crafts, PE games, and team-building exercises that help them make new friends and connect with future classmates. They also have the chance to explore the school through guided tours and enjoy an English workshop focused on creative writing. It's a great opportunity to build confidence, learn new skills, and feel ready for life at their new school.
