

Transition Days

Iffracombe Academy runs two formal transition days each year (normally early July). Students will spend the days with their new tutor group, to enable them to begin to form friendships that can be continued come September. The days will involve a mixture of sample lessons, fun activities and GL Assessments (online maths and english assessments), which will inform the setting of teaching groups ready for September.

There is also a Q&A session for parents run by senior staff and the head of year, so parents/carers can ask any questions they may have.

Transition days 2026:

Thursday 2nd July & Friday 3 July 2026
